Ref:- 1. Rc.266/52 dated 17-6-52 from the Spl. Dy. Tahsildar for Town Survey work, Bellary.

2. Rc.266/52 dated 15-7-52 and from the Commr. Bellary Municipality, Bellary

3. O.N. dated 7-8-52 from the Dt. Surveyor, Bellary.

In his reference second cited above, the Commissioner Bellary Municipality reports that the Special Deputy Tahsildar has, so far completed the writing up of fair field registers in respect of four wards only with the assistance of the only clerk working under him. He also reports that as the Dy. Surveyor has to follow the Dy. Tahsildar for inspection work, he is not able to help the clerk in writing up the register and that the clerk is not able to write more than 150 entries a day. At this

rate, he adds it may not be possible to complete the work by the end of October 1952. According to his report, there are 18019 entries in each of the four registers viz., (1) Fair Fair Register (2) duplicate copy of it (3) Adangal and (4) Chitta. The total No. of entries to be written works out to 72076. At the rate of 150 entries a day it will take 481 days for one clerk to complete the work. The Municipal Commissioner therefore requests for the employment of eight section writers for a period of three months to enable him to complete the work by the end of October, 1952.

2) The District Surveyor, Bellary, to whom the matter was referred reports that though the total No. of entries in both the copies of the Fair Field registers may work out to 6038 entries and may take a considerable long time, the preparation of Adangal and Chitta may not take a long time as particulars of lands paying revenue to Government alone have to be entered in them. He also reports that the section writers may not be able to attend to the writing up of Adangal and chitta as it requires a fair departmental knowledge. He therefore suggests that the writing up of Adangal and chitta may have to be entrusted to the clerk who, with the assistance of the Karnam and the Dy. Surveyor can finish the work before the expiry of the sanctioned period, and the preparation of fair field register may be got done with the assistance of three section writers.

3) I agree with the suggestion made by the District Surveyor and I request that the Board may be pleased to move the Government for sanctioning the employment of three section writers for a period of three months or till the necessity for their employment ceases

4) A copy of [illegible]/52 dated 16-7-52 received from the Municipal Commissioner, Bellary is enclosed.

Copy of the letter No.Rc.266/52 dated 16-7-52.

Sub:- Establishment - Temporary - Bellary Municipality - Special Survey staff - Period of extension and appointment of section writers for writing up of fair field registers - certain particulars furnished.

Ref:- Collector's Ref. C.No.8423/52-H1 dated 18-7-52.

At present there are twenty five wards with 18019 entries in this Municipality. Fair Field registers in duplicate, Adangal and Chitta have to be written up for all the twenty five wards. With the greatest difficulty one section writer can write 150 entries a day. The total number of entries to be written are as detailed below:--

	No. of entries.
1. Fair Field Register	18019
2. do. duplicate	18019
3. Adangal	18019
4. Chitta.	18019
Total:	72076

To write 72076 entries it takes 481 days for one section writer. To finish the entire work by the end of October 1952 within a period of three months eight section

writers may be sanctioned. The Special Dy. Tahsildar, clerk and the Dy. Surveyor besides their regular outdoor inspection work will attend to verification of the registers written by the Section writers.

Item III

Copy of letter Rc.No.8423/52-H1 dated 15-9-52 from the Collector, Bellary.

Sub:- Establishment - Temporary - Bellary Municipal Special Survey staff for work connected with the preparation of Fair field registers etc. - Employment of Section writers - Proposals - submitted.

Ref:- Board's Ref.No.N.7886/52 dated 29-8-52.

The employment of three section writers referred to in this office Rc.No.8423/52-H dated 12-8-52 is found necessary until the writing up of Fair Field registers is completed. The three months extension of time applied for in respect of the Special staff will cease by October 1952 and there is no likelihood of getting the sanction of the Government for the employment of Section writers by that time. Hence as presumed by the Board, the section writers will continue to work under the control and supervision of the Taluk Tahsildar after the special staff is disbanded.

The pay and allowance of the section writers may be fixed at Rs.2/- per 300 m lines to be written in a day. This rate is based on that paid to the section writers employed during the last Election.

I therefore request that sanction may be accorded for the employment of 3 section writers for a period of 3 months from the date of appointment or till the work is completed, whichever is earlier.
